INSPECTOR OF LEGAL OFFICES

ONTARIO: 1973

18th Floor,
18 King Street East,
Toronto, Ontario,
M5C 1C5.

The Honourable Robert Welch, Q.C.,
Provincial Secretary for Justice
and Attorney General,
Province of Ontario, Parliament Buildings,
Toronto, Ontario.

SIR:

I have the honour to present to you my Report as
Inspector of Legal Offices for the year ending December 31, 1973.

During the past year we have worked closely with
the Ministry of Government Services Planning and Research,
Project Management, Realty Services and Property Management
Branches to extend and improve court accommodation throughout
the Province. The renovations at Osgoode Hall were completed,
the Simcoe court house was opened, and the provincial courts
in Chatham were re-located in the court house, which was
extensively renovated. The new court house and registry
office at London will be completed in June, 1974 and the
court house at Barrie is in the contract stage. Many buildings
are in the planning stage--court houses at North Bay, Guelph,
Windsor, St. Catharines, Sudbury, and juvenile detention homes
at Barrie, Kenora, Sudbury, Thunder Bay, North Bay and Kingston.
Extensive renovations and alterations are proceeding at the
Old City Hall in Toronto. It is anticipated that the Provincial
court building will be completed in Thunder Bay in May, 1974,
and in Orillia in June, 1974. The Juvenile Observation Home

in London will be completed in 1975 and the Provincial court building in Kitchener is in the contract stage. The Provincial Court (Family Division) was occupied in Scarborough in February, 1974 and alterations were completed in the St. Catharines court house in March, 1974. It is anticipated that the Traffic Tribunal at 1300 Don Mills Road in Toronto will be completed in May, 1974.

A number of minor projects were completed. Extensive renovations were made to the court house in Sudbury, a fire alarm system was installed in Cochrane, a new courtroom and offices were created in the court house in Brampton, a parking lot in Parry Sound, and soundproofing of some offices at the Family Court, 311 Jarvis Street. A new elevator is being installed in the court house at Thunder Bay, and in the contract stage are--parking lot expansion at Brampton, air conditioning of the court house at Haileybury, public address system in the court house at Kenora, and a fire alarm system in the Juvenile Observation Home at Hamilton.

The Provincial Court (Criminal Division) again showed an increased level of activity. To achieve a more efficient processing of charges before the court, new case scheduling procedures have been implemented where required particularly in those areas where there has been a substantial increase in case load. This has resulted in better utilization of judicial time and physical facilities. It has been necessary as well to increase substantially the use of Sitting Justices of the Peace for the trial of minor liquor and traffic offences. Since the implementation of the new provisions of the Criminal Code with respect to bail, Justices of the Peace have been assigned in many areas to conduct bail hearings to avoid the Provincial Judge from possibly being disqualified from hearing the trial of the matter by reason of the evidence which might be placed before him on the bail hearing.

In co-operation with the Provincial Judges' Association (Criminal Division) a Provincial Judges Education Programme has been commenced. The programme provides for a Provincial Judge, once in each three years, living in for one week in a university setting and listening to various papers presented by professors, judges, senior Crown counsel and defence counsel. There were two one-week sessions at Western University in the last two weeks of June, 1973, and further sessions are scheduled for 1974.

A Justice of the Peace Continuing Education Programme was carried out throughout the entire Province by a committee composed of Chief Judge F.C. Hayes, Judge D.G. Bice, Judge R.B. Hutton, Judge C.E. Perkins, C.M. Powell, Q.C., Assistant Deputy Attorney General, P.J. LeSage, Q.C., Director of Crown Attorneys and Crown Attorneys W.D. Drinkwater and C.J. Meinhardt. Videotapes relating to various papers were prepared and presented at two-day and one-day sessions at Burlington, Chatham, Kitchener, London, Ottawa, Peterborough, St. Catharines, Smiths Falls, Sudbury, Timmins and Thunder Bay. Over 500 Justices of the Peace attended this initial training programme and the programme will be continued.

In the Provincial Court (Family Division) area the program of automatic enforcement of maintenance orders has been further implemented. Additional employees were hired and divided among various courts in the Province to manage the program. The objective is for the court to supervise its own accounts and initiate proceedings for the collection of arrears when a payor defaults. The program was started in many courts late in the year and the results are just now becoming evident. In the Hamilton court where the program was initiated at the start of 1973 the monies collected on orders showed a vast improvement over 1972. Close study will be maintained over the

program in the coming year.

A number of progressive steps have been taken relative to the Family Court in the Judicial District of York. For some months we have had split dockets for Domestic cases at 311 Jarvis Street--10 a.m. and 2 p.m. This has greatly relieved the former congestion where everyone was summonsed for 10 a.m. For child welfare cases scheduling is done in close liaison with Children's Aid Societies who in turn are in intimate communication with their clients and those cases are pre-scheduled in accordance with the anticipated length of the hearing. The possibility of a split docket for juvenile cases is currently under review. The congested waiting room area at 311 Jarvis Street has been curtailed to a large extent since the inauguration of the split dockets. A tuck shop will be installed shortly and a playroom has been completed staffed by well qualified volunteers. Parents arriving for court or for interviews with social workers can now leave their children in the playroom area and thus are not encumbered during their court appearance or their private interview. In addition to the courts at 311 Jarvis Street, there are satellite courts in Newmarket, Etobicoke, Scarborough and North Yonge Street. The North Yonge court is in full operation and the Newmarket court sits on an average of 3½ days per week. In Etobicoke juvenile hearings take place every Tuesday, and in Scarborough, commencing February 12, 1974, juvenile hearings take place every Monday and Thursday and child welfare hearings every Wednesday.

Our associations again held study seminars, regional meetings and committee meetings throughout the year. The following is a list of officers of the various associations for the coming year.

The use of mechanical means of court reporting has been further extended throughout the year and has been on the whole very well received. It is used in many areas for examinations for discovery, justice of the peace and traffic courts, in both divisions of the provincial court and in the county courts. The volume of work in many of our courts again showed a substantial increase and while it was not possible to obtain additional personnel, I feel that the service rendered to the public through our offices has again been of a very high calibre.

A number of changes in personnel during the past year should be noted. Fifteen appointments were made to the County Court Bench: R.C. Honey in Belleville, G.P. Killeen in London, J.A. Pringle in Simcoe, F.G. Carter in Goderich, S.D. Loukidelis in Sudbury, J.C. Scime in Hamilton and the following judges at large--H.W. Allen, M.R. Meehan, D.R. Shearer, R.J. Marin, D.F. Mossop, A.H. Brown of Simcoe, R.A. Carscallen and G.F. Gardner, both of Sarnia, J.M. Cooper of Sudbury and W.T. Carroll of Toronto. Gordon Beddis retired as Registrar of the Supreme Court after over 40 years in the civil service and Mr. Harold Poultney was appointed Registrar.
